Family Art Day boasts Bears About Town April 26

Kaleidoscope Center has teamed up with the city of Mission Viejo and Friends of the Arts to host "Family Art Day" on Saturday, April 26. The event, which runs from noon to 5 p.m. at 27741 Crown Valley Parkway, will feature fun activities for all ages along with an opportunity to enjoy The Bears About Town art Collection.

Kaleidoscope Center has been home to The Bears About Town exhibit for the past year. This magnificent life-size public art project will soon be placed along Marguerite Parkway, and the nine bears will become honored mascots of the Oso Creek (Bear Creek) Trail.

Along with the chance to celebrate the bears, the event will feature local artist Hiep Nguyen "circle painting" in the courtyard; hands-on workshops; face painting; art stations; renowned musician Martin Espino performing indigenous music; local students providing entertainment; and a social media project with the Mission Viejo Student Advisory Committee.

Family Art Day sets the stage for the upcoming Arts Alive Festival and Street Painting event in May. This year's festival – May 3-4 – celebrates the 1970s with a plethora of cultural, artistic and environmental activities and top-notch entertainment.
